Welcome to the 2009 edition of the Arizona Economic Development Directory.

We produced this statewide listing of economic development officials and organizations to promote the formation and enhancement of strategic partnerships across Arizona.

The directory is arranged in five sections:

- Statewide Organizations
- Local Organizations
- Small Business Development Centers
- Economic Development Information Centers
- Councils of Government

An on-line version of this directory is updated throughout the year and can be accessed through the Arizona Department of Commerce website at <http://www.azcommerce.com>. We hope you'll visit us online and take advantage of additional Commerce publications and programs.

We welcome suggestions on ways to better serve your informational needs and appreciate your continuing support of the Arizona Department of Commerce.
