The Arizona Department of Commerce in partnership with the Arizona Manufacturers Council, Jobing.com, Maricopa Community Colleges and KPNX-TV Channel 12/azcentral.com would like to invite you to participate in an industry focus group to support the newly formed "Dream It, Do It" Campaign. The mission of "Dream It, Do It" is to provide Arizona's manufacturing community with ongoing access to an adequate, skilled workforce. During the focus groups we hope to obtain information about the talent needs of your industry.

The industry roundtables will take place from 6:00 p.m. to 7:30 p.m. at KPNX-TV Channel 12, 1101 N Central Ave in Downtown Phoenix with dinner provided.
